

KONA

Live a vibrant life.

There's a vibrant feeling about the new KONA. It's a youthful, playful design that stirs the senses and invites closer examination of its capabilities. Step inside, start the engine and KONA stirs to life to deliver exceptional dynamic performance. From front to back, KONA has been extensively enhanced to meet the needs of customers who lead active lifestyles.

Your style, your way.

The new KONA has a confident, modern style that has a way of always fitting in anywhere your travels may take you. Whether you're on a downtown dinner date or driving down a country road, KONA makes you feel perfectly at home.

Designed to be different.

KONA's powerful lines grab your attention from any angle. The design is strong and stable is reinforced at every turn including the armor-like cladding over the wheel arches. Extending into the rocker panels and both bumpers, this lower body cladding provides practical protection against stones and other road debris.

Style it to define your drive.

One look and you can tell that the new KONA is slightly ahead of its time. Futuristic? Definitely but there's nothing too radical about it: It's design innovation done just right. The geometry is sophisticated with plenty of interesting high-tech details like the LED lighting technology and the catchy-looking alloy wheels to delight and fascinate the eye.

Newly sculpted front end projects a sporty, muscular look

LED positioning lamps and LED DRLs

Dynamic new range of alloy wheels

Sleek new tail lamps

AUTO

An interior unlike any other.

Life is just so much easier with KONA. It offers plenty of cabin space to keep everyone comfortable and ample amounts of storage space. For added versatility, KONA's 60:40-split back seats can be folded down to make room for just about any type of cargo.

10.25" LCD cluster

USB charger

8" Audio display with Digital Audio Broadcast (DAB)

60:40 split-folding rear seat

An impressive performance.

From the moment you step on the accelerator to unleash KONA's full potential, you will be smiling at the surge of quiet, clean power. KONA's power plants are third generation which means they benefit from the very latest technologies that improve their efficiency, reliability and, most importantly, your driving enjoyment.

Smartstream G1.0 T-GDi

120 Maximum Power
ps/6,000 rpm

17.5 Maximum Torque
kg-m/1,500-4,000 rpm

Bring your sense of adventure.

KONA's advanced control systems give you the confidence to drive down less travelled roads or in poor weather conditions.

Drive Mode

The Drive Mode selector offers a choice of three different settings to suit your personal preferences. Drive Mode automatically modifies the gear shift schedule to transform KONA's personality into frugal, fast or just plain normal.

ECO Mode

Driving in Eco Mode is guaranteed to save you money at the fuel pump.

SPORT Mode

Sport Mode is made for those times when you just feel like letting it go. With Sport Mode dialed in, KONA responds with energetic enthusiasm, the pace quickens and the fun begins.

NORMAL Mode

Normal is a happy place to be as it puts you at the half-way point between Eco and Sport. Offering the best of both, this setting delivers perfectly relaxed, everyday driving performance.

KONA N Line.

KONA N Line maximizes the sporty factor with an appearance package that really stands out. Both the front and rear ends get the special N Line makeover as do the 18" diamond cut wheels and side cladding. The cabin abounds with N Line exclusive touches to tell the world that this is no ordinary KONA. Meatier brakes and a sports-tuned suspension enhance ride, handling and stopping performance.

KONA Hybrid.

KONA's advanced hybrid technologies do more than just reduce emissions, they also help promote a quieter, smoother ride. With the nearly silent running electric motor providing powerful assistance, the 1.6 GDi engine doesn't have to work as hard. This results in a noticeable reduction of noise, vibration and harshness. In the simplest terms, KONA's hybrid technologies will leave you smiling.

Best-in-class fuel economy

3.9ℓ / 100km

based on 16" tires

Hyundai SmartSense

Conventional Cruise Control

More safety and less stress. The ability to maintain road speed without the need for continuous driver pressure on the accelerator.

Forward Collision-Avoidance Assist (FCA)

If there's danger of a collision with a car or a pedestrian, FCA's front camera gives you an early warning and, if necessary, FCA automatically applies the brakes to prevent the collision.

Lane Keeping Assist (LKA) / Lane Following Assist (LFA)

LKA/LFA keep you safely centered within the lane using its front view camera to monitor lane markers. On detecting an unintentional lane departure, a warning is triggered and, if necessary, LKA will automatically provide corrective steering input to keep you within the lane.

Parking Distance Warning (PDW)

Proximity sensors in the rear bumpers warn you if you're too close so you can avoid scratches and park safer. *Available on Executive Models Upwards.
